

ROCHESTER AREA TRANSPORTATION SUPERVISORS ASSOCIATION

Dick Fisher's School Bus Driver "Trainer-the-Trainer" Course

The Rochester Area Transportation Supervisors Association is pleased to announce the sponsorship of this outstanding School Bus Driver Trainer Course. Even the most experienced transportation member and/or trainer will benefit from this course. This instructor training class is designed for school districts, contractors, and Head Start personnel. This course curriculum provides training in the required topics listed below in both classroom and behind the wheel training sessions.

COURSE INSTRUCTOR

**School Bus Driver Trainer Course Instructor: Richard Fischer,
President Trans-Consult**

Dick will be presenting the Driver/Driver Trainer Courses and has expertise and experience in all phases of pupil transportation. Dick has been training drivers for over 50-years in the pupil transportation industry. He is widely known for the school bus safety seminars he has conducted for many school districts and State Departments of Education. His years of experience have aided in developing a systematic program of training drivers, which results in greatly improved safety and efficiency, which should in turn lead to a reduction of accidents. In today's world, collisions mean liability, so any reduction of collisions means not only the potential for preventing injury and loss of life, but costly litigation as well.

Drivers trained with this program become better drivers and better drivers mean fewer collisions; fewer collisions mean fewer: injuries, insurance claims, and lawsuits. These are the goals of every pupil transportation department.

***School Bus Driver “Train the Trainer” Course – July 10-14, 2017
in Irondequoit, NY***

The School Bus Driver Trainer course consists of extensive instruction behind-the-wheel, including reference point driving. Classroom and behind-the-wheel sessions will prepare the School Bus Trainer to conduct a systematic program for training school bus drivers. Each attendee will receive a detailed School Bus Driver Trainer Guide including lesson plans and training forms.

Please register early. Class size is limited; however, if there are not enough people registered to confirm the class by **June 23, 2017 the class will be canceled.**

SCHOOL BUS DRIVER TRAINER COURSE REGISTRATION FEES is \$550. Registration Fee is due in full at the time of registration. Purchase orders will be accepted. Cancellations must be received 14 days prior to course date. Refunds for registration will be returned except for a \$75.00 cancellation fee.

For additional information, requirements or course agenda, please call or write to: Peter Lawrence, 860 Ayrault Road, Fairport, NY 14450 (585) 421-2025 or E-mail: plawrence@fairport.org

Dick Fischer 11465 Dallas Rd. Peyton, Co 80831 (719) 495-7940 or Email: dfischer@ix.netcom.com REGISTRATION FORM
